Number of Staff Issuing Permits: 9

Does your State offer
Online Requests: Yes No

If yes what percentage
Of permits does your
System issue without
Your review? 69%

New Legislation:
Has not been passed.

Permitting System Updates: (Please include money or time saving changes)
On January 12th, a new trunk build was pushed to production addressing issues and included upgrades.

Procedural Changes:
None

Innovative or Special Initiatives:
None

New/Unique Communication Efforts: (Describe any outreach to your carrier population)
None

Special Challenges Affecting Permit Operations:

There were seven (7) windfarm projects that took place during 2020. This led to a 34% increase in superload permits issued in comparison to 2019.

Uniformity Pursuits:

None

Areas of Concern:

None

Successes:

2020 was challenging due to the pandemic, 7 windfarm projects and implementation of a shared work program (reduction in working hours for a period of time). Even with these obstacles, there was no loss of production by our staff and we maintained our customer satisfactory rate of over 95%.
